Caravan Of Dreams

Peter White

Peter White is one of those rare artists whose unique sound and natural, unpretentious musical vision encapsulate all the charm, appeal and excitement of his genre. The English born acoustic guitarist has become a melodic mainstay at the top of every radio airplay and sales chart known to soulful, smooth jazzkind since launching his solo career in 1990.

White's instantly infectious Columbia debut "Caravan Of Dreams" continues in the R&B vein of his previous releases, focusing on his trademark breezes while texturing street smart synth grooves. Special guests include a free-spirited all-star ensemble with saxophonist Boney James, trumpeter Rick Braun, guitarist Marc Antoine and vocalist Basia.
